

## **Risk Disclaimer**

Cryptocurrencies are unregulated and highly volatile digital money, which is not controlled by any central bank. Their price can rise and drop rapidly, which can be caused by different factors. Trading cryptocurrencies therefore involves risk and may not be suitable for anybody. Before every investment, please ensure that you have understood characteristics of cryptocurrencies and potential risk related to trading them. Never trade with money that you cannot afford to lose. Information provided on BitPanther webpage is for general informational purposes only. It does not constitute financial, investment or personal advice, and should not be construed or relied on as such. Before making any commitment of a financial nature you should do your own extensive research. You are responsible for your investment decisions, which you make at your own risk. Make such an investment that, if lost, it will not adversely impact your lifestyle and your ability to meet your financial obligations. Past results are no indication of future performance.
